# Special Education Needs & Disabilities Strategy for Cambridgeshire and Peterborough

# What is it?

- A plan about what we are going to do
- For children and young people with Special Educational Needs and Disabilities
- Age 0 – 25
- Who live in Cambridgeshire and Peterborough
- Education, health and social care

# Its about making sure children and young people can.....

- Learn well
- Get healthcare they need
- Are looked after
- Get ready for being grown up

- We have asked lots of people already
- And looked at lots of information
- We have got some ideas
- We want to know what you think
- Then we will make a plan

To be happy

To do well at school and college

To have schools, colleges and other things near where you live

To have dreams and people to believe in them

Your parents and carers are involved

Cambridgeshire County Council

People work together well

To have fun

# What is important to children and young people?

To have choices and control

To be healthy

To have friends

Good job!

Workers are good at their jobs

To go out and do things near where you live

To get a job if you want when you are old enough

To learn and do things that will help when you are an adult

# 3 main areas

- SEND is everyone's business
- Start as early as possible
- Good services in the right place at the right time

# We want to know.....

- Do people think these are the right important things?
- What else is important?
- Ideas on what to do to make them happen

# What next?

- Fill in the questionnaire
- Send it back to us before 12<sup>th</sup> November
- Lots of other meetings and talks
- Tell us if you want to help plan things
- We will use what people say
- We will come back and tell you what everyone else said and the plan

Thank you for your ideas!
