

Disabled Children's Social Care

What Children and Young People told us about

Disabled Childrens Social Work and Early Help Teams

April – September 2018

Introduction

- This feedback is from children who have support from or organised by:
 - Disabled Children's Early Help Team
 - Disabled Children's Social Work Teams - north & south
 - Disabled Children's Social Work Units– north & south
- This might be going to a group or activity, having a personal assistant, a break away from the family home or a direct payment to do things or pay for support

What we asked?

- Does the Support you get....
 - Help you make new friends
 - Help you learn new things
 - Help you build on skills you already have
 - Help you feel more confident
 - Help you spend some time away from your family
 - Help you go and do things near where you live
- What you like
- What you don't like

How we asked?

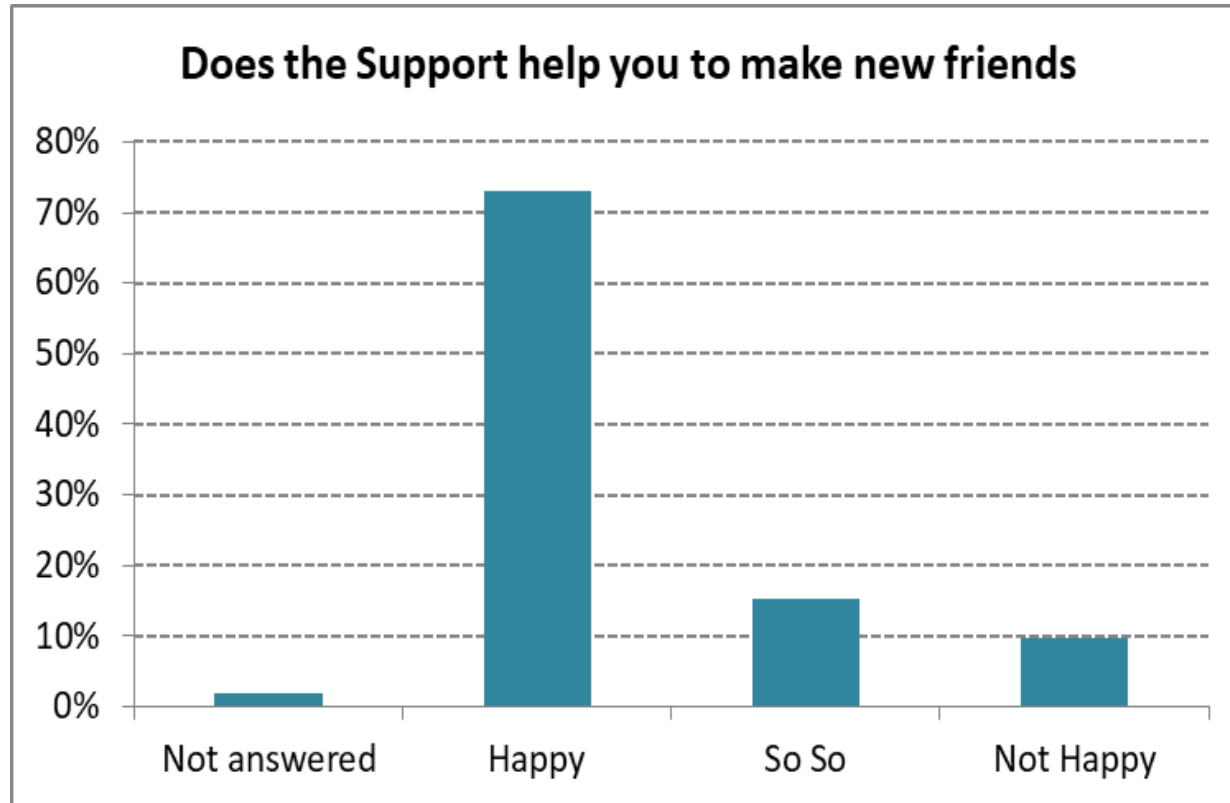

- Using a questionnaire
- There are some questions to answer
- There is space to write a comment or draw a picture
- You can give your name but don't have to
- You can do it yourself or ask someone to help
- You don't have to fill in the questionnaire

Does the Support help you spend time away from your family

Does the Support help you to do things near to where you live

Some things some young people said they didn't like.....

- Noise
- Some of the activities
- Getting bus – its unreliable and late
- Other people
- Homework and revision
- Messy things
- Busy crowded places
- Queuing and waiting
- Not knowing the people
- Things changing

What next.....

- We will put this on our website
- Tell our teams so they know what young people like and what they think
- Keep looking for and organising more things for people to do
- Make sure young people and their parents know about the things to do
- Tell people who run clubs and activities what young people have said and ask them to change how they do things if they need to
- Keep asking what young people think
- We will look at feedback again in April 2019
