Introduction

This booklet is for parents and carers of children living in Cambridgeshire applying either for entry to Reception at primary, infant or transferring to Year 3 of a junior school or Year 5 of a middle school in September 2020. For the purpose of this guide all three groups are referred to as “Primary Schools”.

If your child lives outside Cambridgeshire, please contact your home local authority for details on how to apply. To check if you are a Cambridgeshire resident, please consult the websites:

http://my.cambridgeshire.gov.uk/ for details of your catchment school; if your address is not listed you are not a Cambridgeshire resident and should apply to your home Local Authority.

https://www.gov.uk/find-local-council for details of your home Local Authority; if Cambridgeshire is not shown as your Local Authority you should not apply to Cambridgeshire County Council.

- This booklet explains:
  - How to decide which school/s you would like to apply for;
  - How to make your application for a primary school place, or Year 3 or 5 where that is the natural year of entry;
  - How places will be allocated when a school receives more requests for places than it can accommodate;
  - What will happen if it is not possible to offer your child a place at your preferred school;
  - What to do when you have received your child’s school place offer.

Starting school for the first time or changing school is an important step for your child, and we realise it can be a difficult time for you as well. Cambridgeshire County Council co-ordinates the admissions to all maintained (state) schools and academies (including free schools) in the county and aims to make the process fair and transparent for all.

Please read the information in this booklet carefully and contact us if you need any further help. Contact details for the Admissions Team are provided on the front inside cover and other useful contacts are given on page 129.

All information is available on our website at: www.cambridgeshire.gov.uk/admissions
This website will also contain links to other sites or sources of information which may help.
You can also use the website to make your application online which is a quick and easy way of applying for a school place

It is essential that you make your application by 15 January 2020.

Please read the leaflet entitled “Starting Primary School”, our quick-start guide to the application process. If your child attends a Cambridgeshire Early Years Setting this will be sent to you via that setting by 12 September 2019. It will also be available on our website.

Information about Cambridgeshire primary schools can be found within the Cambridgeshire School Directory from page 31 onwards. We would also encourage you to find out more about the schools you are interested in by visiting the school, looking on their website and reading their prospectus where you will find full details of their admission policy.
Children with a Statement of Special Educational Needs or Education, Health and Care Plan

If your child has a Statement of Special Educational Needs or an Education, Health and Care Plan, you should not make your application directly to the Admissions Team.

You will receive information from your child’s SEN Casework Officer regarding the specific application process for your child. If you have any queries, please contact the Statutory Assessment Team (S.A.T) who will be able to advise you further.

Admission of children from overseas

If you are moving from overseas and will be resident in Cambridgeshire for 6 teaching weeks or longer your child may be eligible for a primary school place. You should submit your application by the national closing date of **15 January 2020**. You will then need to provide proof of your Cambridgeshire address by 31 January 2020; failure to do so may invalidate your application, please see page 16-17 for further details.

Children in public care

If you are the foster carer of a child who is currently in public care, also known as a looked-after child (LAC) the application should be completed in cooperation with, and countersigned by, the child’s assigned social worker. Applications made on behalf of children in public care that are not signed by a social worker will not be processed until such time as a social worker’s signature is received.

UK service and military personnel

If you currently serve or have served in the UK Armed forces of the Crown we will accept your application together with a letter or equivalent from the MOD or a Posting Order as proof of address for your child’s application, and will comply with the provisions of paragraph 2.18 of the School Admissions Code. If you do not have evidence of a residential address before the closing date of the 15 January 2020 we will use the base address. If you then receive notification or confirmation of your actual residential address please forward this to us admissionsapplications@cambridgeshire.gov.uk.

Please clearly indicate on your application that you are serving personnel.

Making an Application

- **How the process works**
  You can list the schools that you wish to apply for, in order of preference, on one application form. This includes schools both within and outside the authority area in which you live. You can apply online or return your application form to the county where your child lives.

  All local authorities use a computerised system to exchange details of applications with each other, and to co-ordinate the offer of places to ensure each child is offered only one school place. This will be for the highest preference school that can offer a place to your child when the oversubscription criteria have been applied to all applications.

  Where a school receives more applications than it has places available it is referred to as being over-subscribed. The published over-subscription criteria will be used to decide the order in which applicants will be offered places.

  The aim of co-ordinated admissions is to make the system fairer, with more parents being offered one of their preferred schools.

- **What has happened in previous years?**
  In April 2019 the following percentage of Cambridgeshire families were offered one of the schools listed on their application form:

  - 92.75% were offered a place at their first preference school;
  - 98.04% were offered a place at one of their three preferred schools;
  - 1.96% were not offered a place at any of their preferred schools.

- **Use all three Preferences**
  In Cambridgeshire, you can apply for up to three schools in order of preference. If you only apply to one school, you will only be considered for that school. You may then be allocated a school that is not one of your preferences, that is further from your home address and to which you would not be entitled to travel assistance should your preference be unsuccessful. Schools do not know the order in which you have ranked them on your application form, or which other schools you have applied for. That information is confidential prior to the allocation of places. You should place the schools in the order you would like your child to attend.

  You are allowed only three active preferences at any one time, even if you are applying for schools within another Local Authority that allows you to express more than three preferences.

- **Which schools to apply for?**
  You can apply for a place at any maintained (i.e. non-fee paying) mainstream school on your home authority’s online system or paper application form, as long you are applying for the school’s natural year of entry. **If your child is attending an infant/first/lower school, but you apply for a Year 3 or Year 5 place at a primary school rather than a junior or middle school, this application will be deemed as an ‘in year’ application because Reception is the normal year of entry for primary school.** Please do not apply for a place in Year 3 or 5 at a primary school using the Common Application Form (CAF), as such applications will not be processed as part of the County Council’s co-ordinated scheme.
You need to think realistically about how likely you are to be offered a place at a particular school before you apply for it.

Try to obtain as much information as possible about how places at your preferred schools are allocated:

- View the over-subscription criteria for each school in the directory section, and
- See how many children were offered places last year, and the criterion allocated to.
- Consider which criterion applies to your child.
- Consider which school is your nearest school.
- Check that your information about a school is correct – visit the school, talk to school staff and make an informed decision for your child.
- Do not make your decision based on other people’s opinions or experiences. Your situation is different and things change every year.

It is recommended that you name your catchment school as one of your three preferences, because this is the school that is most likely to be able to offer your child a place.

Important information

If you choose not to express a preference for your child’s catchment school you should be aware of the following:

- There is no guarantee of a place being available at your catchment school, if you are unsuccessful with your preferred school. Nor will you automatically be considered for it if you do not include it as a preference.
- Your child may be allocated a school place much further away from your home.
- You will be responsible for all home to school travel arrangements and costs.
- If you are offered a place at a preferred school outside your catchment there is no guarantee that a younger brother or sister will be allocated a place at your preferred school in future years.

Can I apply for schools outside of Cambridgeshire?

If you live near the county boundary, you may want to consider applying for schools in neighbouring authority areas. Contact details of these can be found on page 130 of this guide. However, living in Cambridgeshire, you will still need to make your application through Cambridgeshire County Council.

If you are submitting preferences for schools outside of the area covered by Cambridgeshire County Council it is essential that you also contact the Local Authority who maintains the school you are applying for. While many Local Authorities adhere to the 15 January 2020 closing date, individual authorities set their own dates for additional documents including, but not limited to, Supplementary Information Forms and proof of address documents. Failure to meet the deadlines set by the Local Authority in question, may have an adverse effect on your child’s school offer.
Remember

- Make time to visit the school(s).
- Do not judge a school by what others say.
- Make realistic preferences.
- Think about travel and how your child will get to school.
- Consider younger siblings when making your selection.
How to Apply

All applications must be completed and returned to the Admissions Team by the national closing date of **15 January 2020**.

It is **vital that you apply on time**. Applications received after this date will be treated as late and will not be offered a place until the second round of allocations, when many of the more popular schools may be full, and you are much less likely to be offered a place at your preferred school.

In 2019 we received over 830 late Primary school applications. As a result, many of these applicants missed out on a place at their preferred school(s).

You can make your application for a primary school place via our website; www.cambridgeshire.gov.uk/admissions

- **Applying Online**

It is quick, simple and safe to make your application online, and **92.77%** of parents made their application this way last year. You can complete your application via the website; www.cambridgeshire.gov.uk/admissions from **12 September 2019** to **15 January 2020**.

The benefits of making your application online are as follows;

- You will receive an email confirmation that your application has been received.
- Available 24 hours a day, 7 days a week until the national closing date **15 January 2020**.
- You can log in and view your child’s school offer on **16 April 2020**. This will also be sent by email, on the day, to those who request it when applying online.
- You can change the details on your application up until midnight on the closing date.
- The system has a series of security procedures which keeps the information provided safe.
- There is no risk that your application will get lost in the post.

**Online Applications**

- All online applications must be submitted **before** midnight on **15 January 2020**. Any applications begun but left un-submitted will **not** be considered.
- Please ensure that you have read the Terms and Conditions **before** submitting your application.
- If you re-visit your application at any time you must ensure that it is re-submitted, otherwise the application cannot be processed. It is your responsibility to ensure your application status is “**submitted**” before midnight on 15 January 2020.
• Applying on Paper

If you prefer not to make your application online, you can choose to complete a paper application and this is available by calling 0345 045 1370. Please be aware that you will not be able to receive your offer by email and you will have to wait until your offer is received in the post. Should the Admissions Team need to get in contact with you, this will be done by post. This may have an impact on the speed your application is processed.

Please note, if you are applying for a Reception, Year 3 (junior) or year 5 (middle) place where that is the natural year of entry for the school, you must complete the primary transfer application.

All paper applications must be returned to the Admissions Team by 15 January 2020.

If you have already made an online application for your child, you must not submit a paper form as well. If we do receive both a paper and an online application, the application with the most recent date (i.e. the latest) will be the application accepted.

Posting your Application Form

Please also ensure that you have provided the correct postage for your envelope, as failure to do so will lead to your application form not being received.

We recommend that all paper application forms are posted by “signed-for” recorded delivery, and that you retain your proof of postage. The Admissions Team accept no responsibility, and will make no exceptions, for applications that do not reach us and are not posted by this method.

You may also wish to include a stamped, self-addressed envelope with your application form, so we can post you a confirmation slip when it has been received.

Please note: You could hand the application in to your child’s current school, for them to scan and email to us. If you do, please request a confirmation receipt.

• Supplementary Information Forms (SIF)

In most cases it is only necessary to complete the local authority’s application form. However, some schools also require the completion of a Supplementary Information Form (SIF). This is used to help the governors consider your application fully, in accordance with the school’s oversubscription criteria.

If you wish your child to be considered under the school’s criteria you must complete a SIF (available either on our website or from the school) and return it to the school directly, before the closing date on 15 January 2020.

Please ensure that you read the specific requirements for the school(s) that you wish to apply for, as these may differ from school to school. Please be aware that if you do not complete and return the required SIF by the closing date, your child will not be considered under the schools’ religious criteria.
• Changing Preferences

You may change your preference(s), prior to the closing date, either by editing and re-submitting your online application, or by completing a new paper application form.

In all cases these changes must be made by the closing date of 15 January 2020.

You cannot amend your preferences after the closing date unless there are genuine reasons for doing so, e.g. a recent house move. You will be required to provide evidence of the change in circumstances when submitting the request and they will only be considered where a complete application has been received by the national closing date of 15 January 2020.

Any requests to change already submitted preferences received after 15 January 2020 regardless of the circumstances, will not be considered until the second round of school place allocations on 18 May 2020.

Changing my preferences

Only one application will be processed per child at any given time. This means that any new application received will replace your previous application and cancel any previous offer made.

This means that you must include any schools from your latest application above your new preferences on your second or subsequent application if you would like them to remain as active preferences. When you make a new application, you will be agreeing to the following:

• That you will no longer have the right to appeal against a refusal for a school that is not included on your most recent application.
• That your child’s name will be removed from any waiting list for a school that is not named on your latest application.
Frequently Asked Questions

- **When should my child start school?**
  Your child is eligible to start school the September following their 4\(^{th}\) birthday, but legally must be accessing full time education from the term following their 5\(^{th}\) birthday.

  If your child was born between 1 September 2015 and 31 August 2016 you will need to submit your application by **15 January 2020**.

  On receipt of your child's school offer you may choose to take up this place:
  - Immediately (from September 2020); or
  - On a part-time basis until the beginning of the term after their 5\(^{th}\) birthday; or
  - Defer your child's admission until the beginning of the term after their 5\(^{th}\) birthday but not beyond the beginning of the final term of the school year for which it was made. This means, if your child is summer born they will need to start school in April 2021 to keep the place at the school offered. If your child does not start school in April 2021 you will need to apply in June 2021 for a Year 1 place with no guarantee of the same school being offered.

  We recommend all parents discuss these admission options with the school following receipt of their child's offer letter.

- **Accelerating or Deferring your child’s place**
  You may seek a place outside your child’s normal age group if, for example, your child is summer born, gifted and talented or has experienced problems such as ill health. For more information on acceleration or deferrals please contact the Admissions Team.

- **Which schools can I apply for?**
  You can apply for a place at any maintained or academy (i.e. non-fee paying) mainstream school on your home authority’s online system or paper application form, as long you are applying for the school’s natural year of entry.

  If you submit invalid preferences, such as an independent school or a school where the year group you are applying for is not the natural year of entry, these preferences will be discarded and you may not be offered the opportunity to name other schools in their place.

- **I don’t know the area very well, how do I find out where the schools are?**
  A list of schools is provided in the directory section of this guide. You can also visit [http://my.cambridgeshire.gov.uk/](http://my.cambridgeshire.gov.uk/) which enables you to search for schools based on your home postcode. Please be aware that the distances you find stated here will not be as accurate as the measurements used when we decide the outcome of a tiebreaker which is calculated using a different mapping system.

- **What happens if I apply after the closing date?**
  It is vital that your child’s application is received by the national closing date **15 January 2020**. Any application made after 15 January 2020 will be a treated as a late application, which means that it will not be processed until the second round of allocations. Late applicants will not receive an offer of a school place on 16 April 2020 and are significantly less likely to be offered places at more popular schools, which may be oversubscribed.

- **What is my child’s home address?**
  It is very important that the address you give on your child’s application will be your child’s permanent or main residence at the time school places are allocated on **16 April 2020**.
Unless you are applying based on a future house move that you have made the Admissions Team aware of, and for which you have provided sufficient supporting evidence, this should also be the address where your child will be residing when they start school in September 2020.

- **My Child’s time is divided between two addresses, which one do we use?**
  Your child’s application can only be considered from one home address. The address used on your application **must** be the address at which your child spends the majority of school nights (Sunday through Thursday).

  When a child’s time is divided equally between two addresses you **must** provide a copy of a doctor’s registration letter, this address will then be used as your allocation address. Failure to do so by 31 January 2020 will result in your application not being processed.

  Please be aware that an address used for before and after-school childcare arrangements will **not** be considered.

- **Shared Parental Responsibility**
  Where more than one adult shares parental responsibility and live at different addresses, it is important that agreement be reached, prior to making the application, on which schools to apply for.

  If different applications are received, or the Admissions Team is made aware of a dispute between two parents, all applications will be placed on hold and will **not** be processed until such time that:

  - one joint application is made, signed by all parties; or
  - written agreement is provided from both parents; or
  - a court order is obtained confirming which parents’ application carries precedence

  Please ensure that only one joint application is submitted by 15 January 2020. If multiple applications are received you risk your child not being considered for a school place or an offered place being withdrawn.

- **How will you verify my address?**
  The Local Authority will take steps to verify your child’s home address either by cross referencing information held by your child’s current (Cambridgeshire maintained) school or by requesting that you provide proof of the address.

  Proof of address provided **must** be in the name of the person making the application. This proof may be requested at any point during the admissions process, including after your application has been submitted, and may include one or more of the following documents:

  - A copy of your Council tax bill for the current year
  - TV Licence (valid for the current year) with the name and address of the applicant

  Documents below must be dated within 3 calendar months of your application being received:

  - A copy of a rental agreement for a minimum of six school weeks signed and dated by both the tenant and the landlord
  - A copy of a recent utility bill for your home address, showing usage – Gas, Electricity, Water, Telephone (Not mobile phones)
• A copy of your driving licence issued within the last three months showing your new Address
• Copy letter from a Housing Association confirming that you and the child are living at the address
• HMRC Tax notification documentation
• Credit Card Statements dated within the last three months
• Bank/Building Society/ Statement dated within the last three months
• Letter from National Asylum Support Service (NASS) or UK Border Force (UKBA) confirming placement at the address
• A photocopy of the child’s medical card, showing the home address
• Home Office paperwork (including child’s name and date of birth)
• A letter from your solicitor confirming exchange of contracts on your new property you are purchasing stating a full postal address. Preferably with a completion date
• A Deed of Assignment
• If you are moving in with a friend or relative we will need a letter from the friend/relative confirming that you are coming to stay with them (mentioning you all by full name) and we will also need to see a recent utility bill for the friend/relative dated within the last three months
• A copy of the notice to quit (if returning to a property you own, that is currently tenanted)

If you do not return the satisfactory documentation before 31 January 2020 this may invalidate your child’s application. Where the request for documentation is made after 31 January 2020, failure to provide it by the date named in the request (normally ten working days letter) may invalidate your child’s application.

Where your child currently attends a Cambridgeshire maintained nursery or infant school, we recommend you contact the school prior to submitting your application to ensure they hold the correct address on record for your child. If the information they hold is out of date your application may be considered from the wrong address, potentially damaging your chances of being offered a place at your preferred school

• **What happens if I move address?**

If you move address at any point during the admissions process, either within Cambridgeshire or into Cambridgeshire, it is **your** responsibility to immediately inform the Admissions Team, in writing, of this change and provide proof of your new address. Failure to do this may invalidate your child's application.

If you wish for the school offer to be based on a future house move (to take place by September 2020), you will need to submit your application form by 15 January 2020, noting the move on your form, and provide proof of the new address before **31 January 2020** in order for it to be considered.

If your proof of address is not / cannot be provided by **31 January 2020**, your child’s school allocation will be based on the address currently held on record, if your child currently attends a Cambridgeshire nursery or infant school.

If you are moving from overseas or your child does not currently attend a Cambridgeshire Early Years Setting / maintained school and you do not provide your proof of address before **31 January 2020**, your application will **not** be processed until the satisfactory proof is received, which means that you will not receive an offer of a school place on 16 April 2020. Peterborough City Council is a unitary authority and we do not have access to their data.
My child currently attends an Independent school / a school in another County is there anything different I need to do?
If your child does not currently attend a Cambridgeshire nursery or infant school it is your responsibility to provide sufficient proof of your address in Cambridgeshire.

It is important that you provide this proof as quickly as possible. If it is not received before 31 January 2020, your child’s application will not be considered until the second round of allocations where offers will be made on 18 May 2020.

If we do not receive proof of your address your child’s application will be held on file and will not be processed and no school offer will be made.

What if someone uses a fraudulent address or gives other false information on their application?
Regrettably, on occasion some parents have given false information about their home address to get a place at a particular school. This practice is not acceptable and can deny a place to a child with a more genuine claim.

Cambridgeshire County Council expects all applications to be made in good faith, giving correct information. All claims of fraudulent applications are taken seriously, and investigated until resolved to the satisfaction of the Admissions Team.

Any school place obtained by the use of incorrect or fraudulent details will be withdrawn.

What is a Catchment Area?
In Cambridgeshire we operate a catchment area system. A catchment area is a defined geographical area surrounding a school from which it will usually take the majority of its pupils.

All primary schools in Cambridgeshire have a catchment, with the exception of St Alban’s RC Primary School, St Laurence’s RC Primary School, Chesterton Primary School, Isle of Ely Primary School, Kingsfield Primary School, Burrowmoor Primary School and Crosshall Infant Academy. To find out which is your catchment school visit http://my.cambridgeshire.gov.uk/ and click on the “My House” tab.

How is home to school distance measured?
For school place allocations distances, within Cambridgeshire, are calculated by measuring a straight line from the reference point of the home address to the reference point of the primary school (as determined by the OS AddressBase Premium™). For further information please see the glossary of terms on pages 127-128.

All measurements are calculated digitally. For families who live outside of Cambridgeshire, distances are determined using a combination of local maps and on-line resources.

What if I forget to make an application for my child?
If you do not complete an application form, or your application is received after the 15 January 2020 your child will not receive a school offer on 16 April 2020.
If you realise that you have forgotten to make an application, it is important you complete one as soon as possible. After 15 January 2020 you will need to complete a printed form, as the online application facility on the Citizen Portal will no longer be available.

**Remember**
An application must be completed in all cases as there is no automatic transfer to primary school from any nursery or pre-school or from infant school to junior school.

- **What happens if I have twins or multiple-birth children?**
If you have more than one child going through the process at the same time, you must make a separate application for each child. Please ensure that you make reference to each child on all application forms. Where children of multiple birth (i.e. twins, triplets etc.) or siblings born in the same school year are tied for the final place, we will admit such siblings even if this means exceeding PAN (i.e when they are being considered in relation to the same criterion).

- **I wish to make an application for a school that is outside of Cambridgeshire, who do I send my application to?**
If you are a Cambridgeshire resident you must make your application through the Cambridgeshire Admissions Team, regardless of the location of your preferred school. The Team will then co-ordinate with the relevant Local Authority to ensure that your application is considered alongside those who live within that authority.

We also strongly recommend that all applicants who name a school outside of Cambridgeshire as one of their three preferences consult the Local Authority the school comes under, to check if there are any further actions they may need to take such as taking an aptitude test or completing a supplementary information form.

It is also important to note that while Cambridgeshire County Council accept additional information documents such as proof of a new address that are received before 31 January 2020, we cannot guarantee that other Local Authorities will honour this deadline. The date for all Local Authorities to exchange data on residents who have ranked out of county schools as a preference is set for 14 February 2020. Therefore, all applicants who name a school in another Local Authority as one of their preferences must have all requested additional documents submitted to the Admissions Team before 31 January 2020.

- **What if I want my child to start Primary School a year early or a year late?**
It is Cambridgeshire County Council’s policy to admit children to the year group appropriate to their date of birth. In exceptional circumstances, your child may be able to start school a year earlier or later than would normally be the case. For further information please contact the Admissions Team.

Please note that the fact that a child has come from an educational system abroad, or does not speak English as their first language will not normally be considered as an exceptional circumstance. Support is available in our schools within the correct year group for these children. An unsuccessful appeal for a place at a school will not be considered appropriate grounds for then requesting a place in a different year group.

- **I have recently moved from overseas, is my child eligible to apply for a school place?**
If you are moving from overseas and will be resident in Cambridgeshire for 6 teaching weeks or longer your child may be eligible for a primary school place. You must submit your
application by the request deadline and provide proof of your residency in Cambridgeshire (please see pages 16-17 for types of proof).

- **My child was previously a Looked After Child, is there anything different I need to do?**
  If you are applying for a child who was previously looked after (in care) and has since been adopted or is now under a special guardianship or residency order (now known as a child arrangement order) they will be given higher priority within every Cambridgeshire school’s criteria. Ideally you should provide the contact details of the social worker who was assigned to your child’s case.

  However, it is your responsibility to provide evidence to support this request in the form of:
  - Adoption certificates / orders that reference section 12 of the Adoption Act;
  - Adoption certificates / orders that reference Section 46 of the Children’s Act;
  - Any Child Arrangement Order;
  - An Special Guardianship Order that mentions Section 14A;
  - Any residence order issued prior to 22 April 2014;
  - Written confirmation from an involved council employee (ideally the assigned Social Worker);

  You will need to make specific mention of this on your application, as Cambridgeshire County Council Admissions Team do not have access to public care records. You will also need to provide contact information for the social worker who was assigned to the child while they were in public care.

- **How will you contact me if you require further information or documents?**
  During the allocation process the Admissions Team may need to contact you to request either clarification on information you have given on your application or documents to evidence information given on the application. If you submit your application online, or provide a contact email address on your paper application form, this contact will be made via email. Therefore it is important that any email address you give is correct and is checked regularly, as information or document requests may be time-sensitive and deadlines cannot be extended.

  We also suggest adding the addresses to your safe-senders list, as deadlines cannot be extended for emails that have been filtered into junk or spam folders.

- **My older child was previously refused a place at our catchment school, how does this affect our new application?**
  If your older child has previously been refused a place at your catchment school due to oversubscription, your younger child’s application may be considered under a higher criterion. In order to be considered, please ensure the relevant details are included within your new application.
Application checklist

☐ Read “Starting Primary School” leaflet and “First Steps” admission guide.

☐ Find out more information about the schools that interest you.

☐ Read the oversubscription criteria for the schools you are interested in.

☐ Make your application either online, or by completing a paper application form placing schools in order of preference. Ensure this is completed by 15 January 2020.

☐ Ensure that any relevant Supplementary Information Form (SIF) is completed and returned direct to the school.
How are Places offered?

Each school has what is called a Published Admission Number (PAN). This is the maximum number of pupils that can be admitted to each year, based on the accommodation available at a school. The number is based on a national formula for deciding how many children can go to a school without causing overcrowding.

Many schools receive more applications than there are places available. To decide which children to offer places to, a set of admission criteria is used. These are known as the school’s oversubscription criteria.

- What are oversubscription criteria?
  These are the criteria by which all applications are considered when more applications are received than there are places available. Different schools have different criteria, so it is important that you check the admission arrangements for all the schools you wish to apply for.

- What types of schools are there in Cambridgeshire?
  There are six main groups of schools in Cambridgeshire;

  **Academy Schools**
  Academy schools, including those that are Free Schools, or University Technical Colleges, are state-funded, non-fee paying independent schools. Each academy is operated by a trust which appoints a governing body who are their own admission authority and set their own oversubscription criteria.

  **Community Schools**
  Community schools hold no religious character. The local authority is the admission authority and sets the oversubscription criteria.

  **Foundation Schools**
  Foundation schools, as with Voluntary Aided schools, are their own admissions authority and set their own oversubscription criteria. They do not, however, hold any religious character.

  **Foundation schools with a trust**
  Trust schools are schools which have formed links with a charitable organisation (the Trust) formed by partners such as universities, businesses or voluntary organisations. These schools are also their own admissions authority and set their own oversubscription criteria.

  **Voluntary Aided Schools**
  Voluntary Aided Schools are mainly religious or “faith” schools, although anyone can apply for a place. The Governing Body are their own admission authority and set the oversubscription criteria, which often reflects the school’s religious character.

  **Voluntary Controlled Schools**
  These schools are similar to voluntary aided schools, in that they are schools which hold a religious character. However, unlike voluntary aided schools the local authority is the admission authority and sets the oversubscription criteria.
The Allocation Process

- **How it Works**
  All preferences are treated equally. This means we will look to see if a place is available at each of your preferences and offer you a place at your **highest** preference school that has a place available.

**Step 1**
If we can meet your first preference, we will offer your child a place at that school. You will not be considered for any lower preference schools and will not be placed on their waiting lists and there is no right to appeal for lower preference schools you are not considered for.

**Step 2**
If we cannot meet your first preference but can meet your second preference, we will offer your child a place at that school. Your child’s name will then be added to the waiting list of your first preference school, and you will be offered your right of appeal.

**Step 3**
If we cannot meet your second preference, but can meet your third preference, we will offer your child a place at that school. Your child's name will be added to the waiting lists for your first and second preference schools, and you will be offered your right of appeal.

**Step 4**
If we cannot meet any of your preferences, we will offer your child a place at your catchment school if;
- you have not already expressed it as a preference; and
- following the allocation of all preferences, there remain places available

Where a place is not available at your catchment school, a place will be offered at the nearest alternative* school where a place is available.

Your child’s name will be added to the reserve list for all of your preferred schools and you will be offered your right of appeal.

* *Alternative School*

If you do not express a preference for your catchment school, your child will not receive travel assistance to any alternative school offered as a part of the admissions process.
When will I know which school my child has been offered?
Offer letters will be posted 2\textsuperscript{nd} class on 16 April 2020. If you applied online you will be able to view your child’s school offer by using the online facility on this date. You will also receive an email notification, if you requested one when completing your online application.

What if my child does not get a place at any of my preferred schools?
If a place cannot be offered at any of your preferred schools and you are a Cambridgeshire resident, you will be allocated a place at either your catchment school, if there are places remaining, or the nearest designated school to your home address with a place available. Page 26 of this booklet explains how to appeal against a decision not to allocate your child a place at a preferred school.

Your child’s name will be placed on the waiting list for every school where they are refused a place.

What is a Waiting list?
Children are placed on the list according to the schools over-subscription criteria rather than by the date the application was made. Your child will remain on a waiting list until 31 December 2020, unless one of the following occurs:
- you are offered a place at by an independent appeal panel;
- a place becomes available;
- you are offered a place at a school you have ranked as a higher preference but were previously refused due to oversubscription; or

Allocation Example

Amanda lives in Cambridge and applies for the following three schools;

1) St Albans RC Primary School
2) Arbury Primary School
3) Mayfield Primary School

Mayfield Primary School is Amanda’s catchment school. However, she currently has a sibling attending Arbury Primary School.

Amanda’s first preference is St Alban’s. The school is oversubscribed and when the over subscription criteria were applied, places could only be offered to children as far as their religious criteria. Amanda only met the lowest criterion for St Alban’s and was not offered a place. Her name was then placed on the school’s waiting list.

Amanda met the sibling criterion for Arbury, her second preference. After the oversubscription criteria were applied the school were able to offer places to all children within this criterion and a place was offered.

Amanda would also have qualified for a place at her catchment school, Mayfield. However, because her higher preference school could be offered, it was not necessary to offer her that place and it was offered to the next ranked child.
you submit a new application that does not name the school as a preference or ranks it as a lower preference than a school we are able to offer you a place at.

**Accepting a school offer**

Parents are required to accept/refuse the allocation of a school place within two weeks of the offer letter being sent, or posted. During that two week period the allocated school will attempt to contact parents to confirm if the place offered is to be accepted, or refused. Ten working days after the national offer date the LA will send a chaser letter to all parents who have not confirmed their admissions decision. If, after a further 10 working days from this date, no decision has been received from the parent, the place may be withdrawn and will be included and offered as part of the “second” round of allocations.

Accepting a place at the school offered will not lessen your chances of being offered a place at your preferred school either through the school’s reserve list or through the appeals process.

**Declining a school offer**

If you do not wish to accept the school place offered, for example if you have moved out of Cambridgeshire, or have decided to educate your child privately, you **must** ensure you inform the Local Authority. This can be done by completing the refusal slip attached to the offer letter and returning it to the Admissions Team.

When considering declining the offer of a place that has been made to you, please consider the following:

- If you are appealing a decision not to offer your child a place at a higher preference school, you must wait until your case has been heard and upheld before you can decline the place currently offered to you;
- If you have submitted a new application with different preferences, or are planning to do so, you must wait until your application has been processed and a new offer issued by the Admissions Team before you can decline your original offer;
- If you are hoping to gain a place at a preferred school through that school’s waiting list, your current offer cannot be withdrawn until you are offered a place at your preferred school by the Admissions Team.
- If you are moving out of Cambridgeshire, please do not surrender your Cambridgeshire school offer until you have receipt of a new school offer in your new local authority.

By completing the refusal slip you accept that you are withdrawing your current application and by doing so invalidating any offer of a place that has been made to you.

**Offer after refusal**

In some cases, the Admissions Team will initially be unable to offer a place at your preferred school, but a place may become available that we can offer to you at a later date. When this occurs we will inform you in writing, by posting a letter to the contact address we hold on file for you and by emailing a copy of the letter to the contact address where one was given on your application. You will then need to decide if you wish to take up the newly offered higher preference school or retain the originally offered place. You **must** inform us of your decision, in writing, within ten working days of the offer being made; you can confirm by letter or by emailing admissions@cambridgeshire.gov.uk

If you do not respond within ten working days, a reminder will be sent by post and email; if you do not respond within five working days of the reminder, we will assume you wish to retain your original offer, the new offer will be withdrawn and you child’s name will be removed from the school’s waiting list. Please note, exceptions cannot be made for letters you do not receive due to providing insufficient details for written communication.
How do I appeal?

You have a right of appeal if your child is not offered a place at any of your preferred school(s).

- **How do I request an appeal?**
  You will need to complete an appeal form which is available from the Admissions Team directly. This can be requested by email or by phone. Further information is available via our website at: [www.cambridgeshire.gov.uk/admissions](http://www.cambridgeshire.gov.uk/admissions)

  If, however, you wish to request an appeal for a school which is located in another county, you will need to make your appeal request to the relevant Local Authority.

- **When will my appeal be heard?**
  Most appeals will be heard throughout June and early July. However, if you receive your offer on the 16 April 2020, and wish to request an appeal, this must be submitted to the Admissions Team by **21 May 2020**, to guarantee your appeal is heard by the end of the summer term.

  If your application was considered in the second round of allocations, it is important that you submit your appeal request form as quickly as possible. Although we cannot guarantee that your appeal will be heard before the end of the summer term, we will ensure that it is heard within the statutory deadline. Please refer to the published appeals timescale on our appeals web pages for more information.

- **What happens at an appeal hearing?**
  An independent appeal panel will hear the admission authority’s case for not giving your child a place at your preferred school.

  During the appeal hearing the admission authority will explain why your preference was not met and why it is not possible to offer your child a place at your preferred school. You will then be given the opportunity to explain your reasons for wishing your child to attend your preferred school.

  If you would prefer not to present your case in person, it is possible for your appeal to be heard in your absence. These appeals are considered only on the written information that you provide. It is, therefore, important that you consider whether you should attend the appeal in person or not.

  The clerk to the appeal panel will let you know the decision in writing within five working days.

---

In the 2018-19 academic year a total of 166 primary school appeals were heard in Cambridgeshire of which 82 were subject to Infant Class Size legislation.

66 of the appeal cases were successful, of which 7 were subject to Infant Class Size legislation.
• What if my appeal is unsuccessful?
The appeal panel’s decision is legally binding on both yourselves as the appellant and the admission authority for the school. It is not possible to have another appeal for the same school within the same academic year, unless there has been a significant change in your circumstances.

Your options will be either to accept the school place that has been offered to you, or, alternatively submit a new application for another school.

• What if my appeal is successful?
Please contact the Admissions Team within five working days to confirm whether or not you wish to take up the place offered to you by the appeal panel or retain your original offer. This can be done by letter or by emailing admissions@cambridgeshire.gov.uk
Infant Class Size

- **What is infant class size legislation?**
  This legislation states that no infant class should have more than 30 children being taught by one qualified teacher. This applies to all classes where the majority of the children in the class are of Reception, Year 1 or Year 2 age. The admission for children beyond this number must be refused on “infant class size prejudice” grounds.

If the number of children within an infant class were to exceed this number, this would be a breach of this legislation and the school would be required to take “qualifying” measures to ensure the breach is rectified, e.g. employ another teacher.

If you are refused a place at a school because of “infant class size prejudice”, you will be informed of your right to an “infant class size appeal”.

The process for requesting an infant class size appeal is exactly as described previously on page 26.

- **What happens at an infant class size appeal?**
  The law requires an independent appeal panel to review the admission authority’s decision that the admission of an additional child would cause “infant class size prejudice” (as described above).

Once satisfied that the refusal has been made correctly on this basis, the independent appeal panel can only uphold the appeal if one of three very strict grounds apply; these are

- the child would have been offered a place if the admission arrangements had been properly implemented; or
- the child would have been offered a place if the arrangements had not been contrary to mandatory provisions in the School Admissions Code and the School Standards Framework Act (SSFA) 1998; or
- the decision to refuse admission was not one which a reasonable admission authority would make in the circumstances of the case.

- **What does “reasonable” mean?**
  The independent appeal panel is bound by a strict legal definition of this word. The panel would need to decide whether the decision to a place for a child was:

  - “perverse in the light of the admission arrangements”;
  - “beyond the range of responses open to a reasonable decision maker”; or
  - “a decision so outrageous in its defiance of logic or accepted moral standards that no sensible person who had applied his mind to the question could have arrived at it”.

- **What if my Infant Class Size Appeal is unsuccessful?**
  The appeal panel’s decision is legally binding on both yourselves as the appellant and the admission authority. It is not possible to have another appeal for the same school within the same academic year, unless there has been a significant change in your circumstances.

Your options will be either to accept the school place that has been offered to you, or alternatively submit a new application for another school.

- **What if my Infant Class Size Appeal appeal is successful?**
  Please contact the Admissions Team within five working days to confirm whether or not you wish to take up the place offered to you by the appeal panel or retain your original offer. This can be done by letter or by emailing admissions@cambridgeshire.gov.uk
Home to School Travel Assistance

- **Will my child be entitled to home to school travel assistance?**

  In most cases, as a parent you are responsible for your child’s journey to and from school. However, in some circumstances your child may be eligible for free travel assistance.

  In order to qualify for free travel assistance your child must;

  - live within Cambridgeshire **and**
  - be attending their catchment/nearest school* **and**
  - that school is more than 2 miles from their home, by shortest available walking route.

  *this school is also referred to as their designated / nearest suitable school.

  Your child will **only** be entitled to receive assistance to an alternative school, if you have applied for, and been refused a place at your child’s catchment and nearest schools. Assistance would then only be provided to the nearest school with a place available, as designated by the Local Authority.

  **Your child will not receive travel assistance if;**

  - they are attending your preferred school, and that school is not your catchment/nearest school; or
  - they are attending an alternative school designated to you by the Local Authority, but you have not applied for, and been refused places at your catchment and nearest schools.

- **Where can I find further information about Home to School Travel Assistance?**

  For further information regarding entitlement please visit;  
  [www.cambridgeshire.gov.uk/education/transport](http://www.cambridgeshire.gov.uk/education/transport)

  Alternatively you can speak with our Transport Team on 0345 0455 208.
Where can I get further information?

The Admissions Team are available to provide parents with factual information regarding the school admission and school admission appeals process. Their role is not, however, to advise parents on their applications or with the preparation / content of appeal cases.

From September 2014, all local authorities must publish a local offer. The local offer brings together information from education, health and social care about the provision that it is available for children and young people aged 0 - 25 with special educational needs and disabilities (SEND) and their families. Cambridgeshire’s local offer is available on www.cambridgeshire.gov.uk/send

Mainstream schools and academies must also publish information about SEND in their school and an annual information report outlining how they support children with SEND. This information will be published on individual school websites.

Cambridgeshire County Council does offer a Transition Information Advice service. This service is available to provide parents with independent advice regarding:

- Information about schools
- School admission policies and criteria

*Chesterton Primary School opened in September 2013 and took its first pupils into Reception Year only in September 2013. The school currently only operates classes between Reception and Year 5.

**Catchment area:** This school does not have a geographical catchment area.

**Oversubscription Criteria:**
Children who have a statement of special educational needs or an Education, Health and Care Plan (EHCP) that names Chesterton Primary School will be admitted. NB: Those children with a statement of special educational needs or EHCP that does not name the school will be referred to the LA SAT Team to determine an appropriate place.

Children who have a statement of special educational or an EHCP fall outside the ordinary admissions system and therefore do not feature within the oversubscription criteria.

In the event of a year group being oversubscribed, and after the admission of pupils with a Statement of Special Educational Needs or an EHCP where the school is named, priority for admission will be given to those children who meet the criteria set out below, in order:-

A: A 'looked after child' or child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of its social services functions (see definition in section 22(1) of the Children Act 1989.

B: Children with a sibling attending the school at the time of application who is reasonably expected to still be attending the school at the proposed time of admission

C: Other children by distance from the school with priority for admission being given to those who live nearest to the school as measured by a straight line.

In cases of equal merit in each set of criteria, priority will go to children living nearest the school as measured by a straight line. Please refer to the Glossary of Terms on pages 127-128 for further information.

2. Baptised Catholic children, (at the time of application), with siblings in attendance at the time of admission.

7. Christians of other denominations and children of other faiths whose parents are in sympathy with the aims and ethos of the school and whose application is supported by a letter from a minister of religion.
8. Any other applicants.

In cases of equal merit in each set of criteria, priority will go to children living nearest the school as measured by a straight line. Please refer to the Glossary of Terms on pages 127-128 for further information.

‘Looked after child’ has the same meaning as in section 22 of the Children Act 1989 and means any child in the care of a local authority or provided with accommodation by them (e.g. children with foster parents)

‘Catholic’ means a member of a Church in communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church.

‘Sibling’ means a child living in the same home

‘Home address’ this is defined as the address of the adult with parental responsibility with whom the child normally lives and which applies at the time of application. Future addresses will only be accepted if the move is intended to take place within 6 weeks of the application and on confirmation of tenancy or exchange of contracts with confirmation of completion date. Further details can be obtained from the Local Authority’s Admissions booklet for parents.
Catchment area: This school does not have a geographical catchment area.

Oversubscription Criteria:
The admission of pupils with a Statement of Educational Needs or an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with a Statement of Special Educational Needs or Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

1. Baptised Catholic looked after and previously looked after children (see notes 2 and 3);
2. Baptised Catholic children who are resident in the parish(es) of St Laurence’s, Cambridge (see notes 3 and 10)
3. Other Baptised Catholic children. (see note 3)
4. Other looked after and previously looked after children. (see note 2)
5. Catechumens and members of an Eastern Christian Church. (see notes 4&5)
6. Children of other Christian denominations whose membership is evidenced by a minister of religion. (see note 6)
7. Children of other faiths whose membership is evidenced by a religious leader. (see note 7)
8. Children who have a parent or guardian who is a member of staff at the school and the member of staff has either been employed for a minimum of two years or has been recruited to fill a vacant post for which there was a demonstrable skill shortage.
9. Any other children.

Within each of the categories listed above, the following provisions will be applied in the following order.

(i) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made (see note 8).
(ii) After children in (i) above, priority will be given within each category to children living closest to the school. Distances are measured on a straight line “crow fly” basis, using Ordnance Survey data. In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out and supervised by a person independent of the school. Under random allocation, all the names will be entered into a ‘hat’ and the required number of names will be drawn out.

When oversubscription exists, the above categories will be taken into consideration to prioritise a waiting list. In cases of equal merit, after the above categories are considered, priority will go to children living nearest the school. Please refer to the Glossary of Terms on pages 127-128 for further information.

2. A ‘looked after child’ has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school.

A ‘previously looked after child’ is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order.

3. ‘Catholic’ means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family). For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest who, after consulting with the Diocese will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.
4. ‘Catechumen’ means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.

5. ‘Eastern Christian Church’ includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.

6. “children of other Christian denominations” means children who belong to other churches and ecclesial communities which, acknowledge God’s revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God’s will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above. All members of Churches Together in England and CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

7. “children of other faiths” means children who are members of a religious community that does not fall within the definition of ‘other Christian denominations’ at 6 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:

- A religion which involves belief in more than one God, and
- A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a Supreme Being and an expression of belief in that Supreme Being through worship.

8. ‘brother or sister’ includes:

(i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
(ii) the child of a parent’s partner where that child lives for at least part of the week in the same family unit at the same address as the applicant.

10. For the purposes of this policy, parish boundaries are as shown on the map held by the school and will be applied to the admission arrangements for 2019-20

These distances are produced by the LA Admissions team for the school. For families who live outside the area covered by the Cambridgeshire mapping system, distances are determined using a combination of local maps and on-line resources.

In the event of (a) two or more children living at the same address point (e.g. children resident in a block of flats) or (b) two addresses measuring the same distance from the school, the ultimate tiebreaker will be random selection, witnessed by the Council officer, independent of the Admissions Team.

Substantive evidence will need to be provided at the time of application, such as a report from a support service.

(i) Children in care, also looked after children (LAC) and children who were looked after but ceased to be so by reason of adoption, resident order or special guardianship order;
(ii) children with a sibling* attending the school at the time of admission (the highest number of siblings will take priority).

A sibling is a brother, sister, step-brother, step-sister, adopted or foster child living in the same household. In a tie-break situation, the highest number of siblings at All Saints will determine priority.

In church criteria 1 and 2, priority in a tie-break will go first to:

- Child attending church weekly

- Child attending church monthly

- Children outside the catchment area with a sibling in the school;
- Children living within the catchment area;
- Children outside the catchment area.

If applying for admission for a child who has a sibling attending the school, you should be aware that for admission in criteria 1 to 6, current church/faith attendance is necessary.

In criteria 7, 8, 9, 10, priority in a tie-break will go to children living nearest the school by the shortest straight line distance. Please refer to the Glossary of Terms on pages 127-128 for further information.

**Note A:**
A confidential reference from the priest, minister or leader of the religious community to confirm frequency of attendance, will be required for consideration under church criteria 1-4. Where relevant, the child’s baptism certificate should accompany the application.

**Note B:**
Practising membership under church criteria 1-4 will be determined by frequency of attendance by the person(s), confirmed by a letter from the priest/minister or leader, as defined in the tie-break, firstly weekly, secondly monthly and thirdly for major religious festivals, such as Easter and Christmas.
For criteria 5 and 6, such practice must be in accordance with the usual discipline of that faith.

**Note C:**
The school may lawfully withdraw an offer of a place where a fraudulent or intentionally misleading claim of residency in the catchment area is made and effectively denies a place to a child with a stronger claim. Where a child lives with parents with shared responsibility, each for part of the week, the home address for admission purposes is where the child lives most from Monday to Friday.

The PAN for 2018-19 was 15.

**Catchment Area:** Thriplow School serves the County Parish of Thriplow. The parish includes Thriplow village, Thriplow Heath, Pepperslade, Hurdles Way, Heathfield, and Ringstone. 1. Children in Care, also known as Looked After Children (LAC), and children who were looked after but ceased to be so by reason of adoption, a residence order or care arrangement order or special guardianship order;
2. All children residing in the parish of Thriplow which includes Thriplow village, Thriplow Heath, Hurdles Way, Ringstone, Pepperslade and Heathfield;

The Four Church Benefice being St George’s Church, Thriplow; St Mary’s Church, Fowlmere; St Laurence’s Church, Foxton; and All Saint’s Church, Shepreth, and who may also live outside the parish of Thriplow. It is recognized that some families do not live, work and worship in the same place;
5. Those children who are baptized and whose parents are active members of any Christian Church and for whom this is the nearest Church of England (Aided) School;
6. Children whose parents, if not worshipping members of a Christian Church, nevertheless wish their child to attend a Church of England (Aided) School because of its specifically religious emphasis;
7. Children who live outside the catchment area but who have been unable to gain a place at their catchment area school because of oversubscription;
8. Children living outside the catchment area but for whom Thriplow School is the nearest school.

*All parents wishing to apply under the schools religious criteria must also request a supplementary information form from the school office.

**The distance for admissions purposes, is measured using the straight line distance from the reference point of the home to the reference point of the school, both as defined by the Ordnance survey (OS) AddressBase Premium. These distances are produced by the LA Admissions team for the school. For families who live outside the area covered by the Cambridgeshire mapping system, distances are determined using a combination of local maps and online resources.

In cases of equal merit in each set of criteria, priority will go to children living nearest the school as measured by a straight line. Please refer to the Glossary of Terms on pages 127-128 for further information.

| Home Address | The address given on a child’s application should be the child’s permanent or main residence at the time school places are allocated. This should also be the address where the child will be residing when they start school in the September. A child’s application can only be considered from one home address. Therefore, their “main residence” must be the address at which they spend the majority of their school nights, and will usually, therefore, be the address which is held by the child’s current school, early years setting and/or GP surgery. An address used for before and after-school childcare arrangements will not be considered appropriate. Places cannot be allocated on the basis of intended future changes of address, unless the move has been confirmed and the relevant proof can be provided; 
- a letter from your solicitor confirming exchange of contracts and completion date, 
- a copy of a rental agreement for at least 12 months signed by both the tenant and the landlord If the move is a return to a property currently tenanted a copy of the notice to quit will be required. Parents must inform the Admissions Team of any change of address between the time of application and when the child is due to start at the new school. Failure to do this may result in the offer of a place being withdrawn. |
