6. Your preferences for primary schools

- Please name your three preferred schools and provide your reasons for each preference by ticking the relevant boxes below.
- You can apply for a place at any school. You do not have to apply to your catchment area school, but if you do not, you may find you are allocated a place at a school that is further away. If this happens, you will be responsible for transporting your child to and from that school.
- Naming the same school more than once will not increase your chance of gaining a place at that school. Likewise, naming more than one school will not weaken your chance of gaining a place at your first preference school.
- Please note that school places are allocated according to the oversubscription criteria for each school. Therefore, not all the reasons listed below will necessarily be taken into consideration when your application is processed.
