## SCHOOLS 2014: NOTES FOR USERS

*This booklet contains a summary of information provided by maintained schools and Academy Schools in Cambridgeshire for the DfE Schools' Census*

*The data in this booklet was obtained from DfE Annual Schools' Census and was correct at 16th January 2014.*

### SCHOOLS

- Nursery provision is divided between the specific nursery schools and primary schools that have designated nursery classes. Data on these classes appears in the section on nursery provision as well as in the primary section.
- Data on the only middle school in the county, Gamlingay Village College, is included in the secondary school tables.
- Data on local independent schools are not included in this booklet.

### PUPILS

- Ages of pupils are calculated as at 31st August 2013.
- Full-time equivalent (FTE) calculations: Pupils under the age of 5 may attend for less than a school day. Such pupils count as 0.5 of a full-time pupil, regardless of how many hours they spend in school.
