

Additional funding allocated by DfT in November 2018

Cambridgeshire County Council was allocated an additional £6,653,000 Local Highways Maintenance funding following the October 2018 budget.

The additional funding provided has been spent as detailed below.

Local 'pothole/patching/crack sealing' repairs over winter	£900,000
Additional Preventative Treatment programme preparation	£150,000
Scheme delivery – Minor Bridge repairs	£75,000
Scheme delivery – Footway and Cycleways	£900,000
Scheme delivery - Carriageway	£4,628,000

The carriageway schemes that were delivered:

East - B1085 Stadishall Road, Ashley	£195,000
East - B1061 Brinkley Road, Dullingham	£118,000
East - A142 Ely Road, Witcham Toll	£308,000
East - C135 Lynn Road, Ely	£273,000
Fenland - A141 Huntingdon Road, Chatteris	£550,000
Fenland - A1101 Sutton Road, Leverington	£274,000
Huntingdonshire - C117 Puddock Road, Warboys	£600,000
Huntingdonshire - C85 Oil Mills Rd, Ramsey	£100,000
Huntingdonshire - B1050 Chatteris Road, Somersham	£506,000
Huntingdonshire - A1123 Audrey Lane, St Ives	£495,000
South - Unc Caxton End, Bourn	£74,000
South - A10 Ely Road, Landbeach	£1,023,000
South - B1049 Bridge Road, Histon	£268,000
Cambridge - C280 Parkside, Cambridge	£176,000

Footway schemes:

The numerous footway schemes delivered were identified and prioritised from pavements in poor condition where vulnerable users would see greatest benefit, such as near schools, residential/elderly care homes and providing access to local amenities such as local shops and Post Offices. The funding was split across the County.
