Dear Sir

**Funding for Innovation: Connected Vehicle Data: Cambridgeshire and Peterborough Combined Authority Support for Mobile Phone based Asset Management bid**

I am pleased to confirm that the Cambridgeshire and Peterborough Combined Authority endorses and supports the Mobile Phone based Asset Management joint bid by Cambridgeshire County Council and Peterborough City Council. This bid is to assess and report on an innovative solution being proposed by Vaisala which would enable the digital visual recording and processing of highway assets, including street furniture, across Cambridgeshire and Peterborough, using standard android mobile phone technology.

I commend this bid to you.

Yours faithfully
