12 February 2018

Dear Sir/Madam

Please accept this letter as evidence of Peterborough City Council's intent to deliver the programme set out in our application for Funding for Innovation: Connected Vehicle Data, to assess and report on an innovative solution which would enable the digital recording and processing of highway assets.

A successful outcome of this project will demonstrate that using technology will enable us to better manage and monitor the recording and processing of our highway assets in a more timely and cost effective way.

Yours faithfully

A handwritten signature in black ink, appearing to read "A. Tatt".

Andy Tatt
Head of Peterborough Highway Services

Corporate Director: Simon Machen
