A permit does not allow you to carry members of the general public. You are only authorised to carry those groups of passengers ticked in Question 11. You may tick more than one box in Questions 2 and 11.

Completion of this form does not denote eligibility for a permit. Should you fail to satisfy the traffic commissioner that your body meets the requirements for a permit then you will be required to apply for a Public Service Vehicle Operator’s Licence. It may therefore be in your interests to seek independent advice before completing this form.
